

California Olive Oil Council 2023 Harvest Certified Extra Virgin

Certified Entity: Macala Orchards Date of Certification: 3.11.24

Oil: Mediterranean Blend EXTRA VIRGIN GRADE

Extra virgin is the highest grade an olive oil can receive. The oil's chemistry has met or exceeded specific parameters that indicate the careful handling and storage of the olives and oil. No chemicals or extreme heat have been used during the extraction process. The Sensory Panel found this oil to be extra virgin grade on the date of certification as noted above.

The above named entity has fulfilled the mandatory member requirements for COOC Seal Certification on this date. In acceptance of this verification, the certified entity agrees to remain in full compliance with the terms and conditions of the COOC. Verification valid until surrendered, suspended or revoked.
